## COVID19 PROTOCOL FOR PCM

All prospective Corps members/Corps members are to note the following for strict compliance during the Orientation Course:

- \* Prospective Corps members/Corps members are expected to go to their Dashboards and fill in the COVID-19 test self-reporting format before printing of call up letters
- \* Corps members are to download and print the code and slip generated, for presentation at the Orientation camps.
- \* All prospective corps members/corps members must adhere strictly to their assigned date of reporting to the Orientation Camps.
- \* No prospective Corps member(s)/Corps member(s) will be allowed into the camps if they come before their appointment date.
- \* Upon arrival at Camp, prospective Corps members/corps members must subject themselves to COVID 19 test.

- \* Prospective Corps members/Corps members must report to camp with at least two (2) washable facemasks.
- \* Wearing of facemasks on Camp at all times is mandatory.
- \* Corps members must take responsibility of their own safety And ensure strict compliance with all COVID-19 Safety Protocols.
- \* All foreign trained prospective Corps members/corps members must arrive the Country two (2) weeks before the commencement of the Orientation Course.
- \* Frequent washing of hands at the wash hand points And use of alcohol based hand sanitizer.
- \* Physical distancing must be observed in all Camp activities.
- \* Avoid touching of face with unwashed hands.
- \* Number of worshippers will be regulated at the approved religious centres.
- \* All Corps members must attend the sensitization on Infection, Prevention And Control (IPC) of COVID-19 to be conducted in the Camps.
