

To

Whom It May Concern,

I am sorry to say that I lost my primary school leaving certificate during the sharia Crisis in Kaduna State. We lost almost every of our belongings to the cold hands of the bloody war and as such I can't provide it at the moment. If there is any other criteria that is deem fit as to make up for this if my application is granted. I shall be obliged to answer.

Thank you.

Your's Sincerely,

Amah kenechukwu Paschal
