TO WHOM IT MAY CONCERN

This is to certify that **DAVID IRETIAYO** was a pupil of ECWA/REV. Tharmer N/S School Makutu Isanlu Yagba East Local Government Area, Kogi State.

According to the current headmaster of the school the candidate completed her Primary Education in the year 2008 and was issued admission number 299 but due to the fact that the State Government did not issue Certificate to that set because of Universal Basic Education that was in operation she had no primary school certificate.

In view of the above, I hereby recommend her to any one who may need her service.
