PROFILE SUMMARY

Adeboyin Busari is an Agriculturist with passion for impacting knowledge in farmers through her extension service trainings. She has been working on Bee farm (Apiculture), rearing of Cat Fish (Aquaculture) and poultry farming. She has introduced farmers to world best agricultural practices while she was enlisted in N-power Agro volunteer programme. She was involved in farmer's enumerators scheme for federal ministry of agriculture and rural development empowerment. Farmers challenges were solved through her, as she serves as middle-men between research institute and the farmers in N-power programme. She holds Bachelor Degree in Agricultural Extension and Rural Development from University, Kwara State. She is currently working with ASUNARA API SERVICES LIMITED as a farm manager where she over sees the Bee farm, poultry and the fish farms.
