TO WHOM IT MAY CONCERN

I write to confirm that **BADMUS IYABO KAFILAT** of Admission Number 802 was admitted into this institution in 1988 for her primary education and left the school in 1995.

While he was in this school, she proved to be very diligent, obedient and academically sound.

I will be grateful, if she is given any assistance she is seeking for.

Thanks.

Rev. Sister – Clare Odebunmi.
