SUMMARY

I had few years experience at the Dietetics Unit at OAUTHC Westley Guide Hospital where I did my SIWES, and Federal Neuro Phychiatric Hospital Yaba where I did my NYSC Service; in which I involved in ward round, counseling and monitoring of patients on Therapeutic diet. I also participated in preparation of meals, and actively assisted in the kitchen work to the growth of the prestigious organization through the application of the knowledge, and the skills acquired in academics, training, and other experience.

OBJECTIVE

To be trained as a graduate to work in your hospital, bringing out my best and putting the acquired skills to work as a professional, working with other team ,and putting experiences together efficiently in favor and aiming always towards the benefits and growth of the organization.
